

Summer Junior SJJS Golf Clinic 2025

Dear Willowbrook Patrons:

We are very excited to announce the revamping of our annual Junior Clinic since the pandemic. We are partnering with the Spencer Parsons and Joshua Sullivan First Tee program. The First Tee program is a youth development program for golf endorsed by the PGA of America, USGA, and PGA Tour. Since our last clinic in 2019, golf has become one of the fastest-growing sports in America. The benefits of learning the game of golf are far-reaching. Besides being a life-long sport, it also teaches discipline, etiquette, and patience, all skills children need today to be successful later in life. This summer, Willowbrook Golf Club is hosting a series of Junior Golf Clinics on Tuesdays: July 15th, July 22nd, and July 29th from 9:30 a.m. until 11:00 a.m. The clinics are open to all interested students ranging from 7 to 18 years old for a charge of **\$40.00** for the series. All profits will be donated to the South Jefferson Varsity Golf team. During the first week of the clinic, we will focus on the short game, then we will move on to the long game on the second week. The final week we will be playing out on the course.

Instruction will be provided by Doug McDavitt (PGA Professional), Jonathan Babcock (PGA Associate), the South Jefferson golf team, and many more. The participants will be divided by age and skill level to allow for quality instruction. Mr. McDavitt has asked that you sign your children up in advance before the July 1st deadline, allowing Willowbrook to ensure we have adequate staff to provide individual attention for each junior golfer. Willowbrook is also offering student memberships to all students under the age of 18 for a price of \$75.00. This is an excellent value and will give our students hours of entertainment throughout the summer. If you are interested in signing up your child for the golf clinic or a summer golf membership, please contact Willowbrook Golf Club at (315) 782-8192.
